Barely out of their teens, two plucky bicycle mechanics team with their studious sister to out-invent the world's top scientists and achieve the timeless dream of flight. From their tiny workshop in Ohio, Orville and Wilbur Wright travel to North Carolina and launch the first powered, sustained, and controlled flight of an airplane, changing the world forever.

The Maggie Walker Story | (Grades 7-12) $3.50

February 9 - OGDENSBURG - 9:15 & 11
February 10 - GOUVERNEUR - 9:45

Maggie Walker was born the child of a freed slave in the home of a Union spy. When she was nine her father was murdered. Since the family had no money for the burial, Maggie joined the Order of St. Luke, formed to pay burial expenses for poor blacks. In high school, Maggie helped establish graduation by organizing the nation's first civil rights strike by black students. As an adult she expanded St. Luke's and became the first black woman bank president and a champion of civil rights.

The Ugly Duckling | (Grades PreK-2) $3.50

March 28 - OGDENSBURG - 9:15 & 11
March 29 - GOUVERNEUR - 9:45

We all know Hans Christian Andersen's fable of the swan who grows up "ugly" in a family of ducks, later to find his appearance changing as his true identity emerges. In the folk traditions of other cultures, different animals learn the lesson of the "ugly duckling." In the Inuit tradition there is a bald eagle with a full head of hair and in the Burmese culture a mote that hates dirt. These three "misfit" heroes work together to earn their home on the King's estate as they find the self-confidence that only friendship and accomplishment can provide in this all singing, all dancing, delightful new musical.

The Lightning Thief | (Grades 3-6) $3.50

May 1 - OGDENSBURG - 9:15 & 11

Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. To succeed on his quest to bring peace to a warring Mount Olympus, Percy must come to terms with the father who abandoned him; solve the riddle of the Oracle, which warns him of betrayal by a friend; and unravel a treachery more powerful than the gods themselves. Adapted from the book *The Lightning Thief* by Rick Riordan, based on the Broadway production.
